	(** "D" stands for number of days from last up to date payment of interest; interest rate will shift to higher slabs as shown above on non payment/part payment of interest accrued within the stipulated number of days from last up-to-date interest payment date or pledge date whichever is applicable. Such higher slabs will be applicable retrospectively from the pledge date or from the last up to date interest payment date as the case may be. Also, Loans will shift back to the original interest rate at which the loan was availed (basic interest rate of the scheme) once the borrower remits the interest accrued in full. In general, monthly servicing of interest accrued by borrowers is required to maintain the applicable interest rate at basic slab of the scheme.
