1. Scheduled commercial banks and payment banks have been directed not to open and maintain current accounts for customers who have availed credit facilities in the form of cash credit (CC)/overdraft (OD) from the banking system. Implementation of the aforesaid direction without providing alternate mechanism for financial institutions transacting with scheduled commercial banks and payment banks to withdraw and deposit cash may adversely affect our business, results of operations and financial condition.

2. Our business requires substantial capital, and any disruption in funding sources would have a material adverse effect on our liquidity and financial condition.
3. Any instructions by RBI or other regulatory authority in India directing the Company to stop the use of its premises/ branches or officials for the operations of its Group entities could materially and adversely affect our business and impact our future financial performance.
4. Our financial performance is particularly vulnerable to interest rate risk. If we fail to adequately manage our interest rate risk in the future it could have an adverse effect on our net interest margin, thereby adversely affecting our business and financial condition.
5. The Company has been subject to RBI inspections and any adverse action taken could affect the business and operations of the Company.
6. Our ability to access capital also depends on our credit ratings. Any downgrade of our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, as a result, would negatively affect our net interest margin and our business.
7. If we are unable to manage the level of NPAs in our gold loans and other loans, our financial position and results of operations may suffer.
8. The Tranche IV Prospectus includes certain unaudited financial information, which has been subjected to limited review, in relation to our Company. Reliance on such information should, accordingly, be limited.
9. High levels of customer defaults could adversely affect our business, financial condition and results of operations.
10. We may not be able to recover the full loan amount, and the value of the collateral may not be sufficient to cover the outstanding amounts due under defaulted loans. Failure to recover the value of the collateral could expose us to a potential loss, thereby adversely affect our financial condition and results of operations.

Legal Metrology Department had filed a complaint under the sections 190 and 200 of the Criminal Procedure Code before the Judicial First Class Magistrate Court, Manjeri against the Company in 2019. Thereafter summons was issued to the Directors of the Company as well. The offence alleged is that lesser weight is mentioned in the pledge card as against the original weight and hence the allegation is that the customer will get cheated since the company is liable to return only the weight mentioned in the pledge card. However, in reality we mention both the gross and net weight of the ornaments and for the purpose of considering the weight of ornaments for pledge we rely upon the net weight which is after nominal deduction towards impurities and / stones. As the allegation is baseless. We have moved the Kerala High Court for quashing the proceedings and the matter has been stayed. The stay was extended by an interim order dated February 19, 2020. Information for Applicants

Upon the closure of the Tranche IV Issue, the Registrar to the Tranche IV Issue will reconcile the compiled data received from the Stock Exchange and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID, UPI ID (where applicable) and PAN. The Registrar to the Tranche IV Issue will undertake technical rejections based on the electronic details and the Depository database and prepare list of technical rejection cases. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Tranche IV Issue, reserves the right to proceed as per the Depository records for such Applications or treat such Applications as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

BASIS OF ALLOTMENT

Basis of Allotment for NCDs

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchange and determine the valid Application for the purpose of drawing the basis of allocation.

Allocation Ratio

The Registrar will aggregate the Applications based on the Applications received through an electronic book from the Stock Exchange and determine the valid applications for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the following manner:

Grouping of Applications and Allocation Ratio: Applications received from various applicants shall be grouped together on the following basis:

- (a) *Applications received from Category I applicants:* Applications received from Category I, shall be grouped together, (“**Institutional Portion**”);
- (b) *Applications received from Category II applicants:* Applications received from Category II, shall be grouped together, (“**Non-Institutional Portion**”);
- (c) *Applications received from Category III applicants:* Applications received from Category III, shall be grouped together, (“**Retail Individual Portion**”).

For removal of doubt, “**Institutional Portion**”, “**Non-Institutional Portion**” and “**Retail Individual Portion**” are individually referred to as “**Portion**” and collectively referred to as “**Portions**”.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions,

our Company shall have the discretion of determining the number of NCDs to be Allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Tranche IV Issue up to the Tranche IV Issue Limit i.e. aggregating up to ₹ 360 Crore. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Tranche IV Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

Basis of Allotment for NCDs

(a) Allotments in the first instance:

- (i) Applicants belonging to the Category I, in the first instance, will be allocated NCDs up to 5% of overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Lead Manager and their respective affiliates/SCSB (Designated Branch or online acknowledgement));
- (ii) Applicants belonging to the Category II, in the first instance, will be allocated NCDs up to 35% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));
- (iii) Applicants belonging to the Category III, in the first instance, will be allocated NCDs up to 60% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));
- (iv) Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e. a first-come first-serve basis, based on the date of upload of each Application in to the electronic book with Stock Exchange, in each Portion subject to the Allocation Ratio. However, from the date of oversubscription and thereafter, the allotments will be made to the Applicants on proportionate basis.

As per the SEBI Master Circular, in consultation with the Designated Stock Exchange, the allotment in the Tranche IV Issue is required to be made on date priority basis, i.e., first come first serve basis, based on the date of upload of each application into the electronic book of the Stock Exchange, in each portion subject to the Allocation Ratio indicated herein above. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

(b) Under Subscription:

Under subscription, if any, in any Portion, priority in Allotments will be given in the following order:

- (i) Individual Portion
- (ii) Non-Institutional Portion and Resident Indian individuals and Hindu undivided families through the Karta applying who apply for NCDs aggregating to a value exceeding ₹ 10 lakhs;
- (iii) Institutional Portion
- (iv) on a first come first serve basis.

Within each Portion, priority in Allotments will be given on a first-come-first-serve basis.

- (c) For each Portion, all Applications uploaded on to the electronic book with the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where Applications uploaded into the Platform of the Stock Exchange on a particular date exceeds NCDs to be allotted for each Portion respectively.
- (d) Minimum allotment of 1 (one) NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application.
- (e) *Allotments in case of oversubscription:* In case of an oversubscription, allotments to the maximum extent, as possible, 188 will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the Secured NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of Secured NCDs to the applicants from the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchange, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

- (i) In case of an oversubscription in all Portions resulting in an oversubscription in the Tranche IV Issue Limit, Allotments to the maximum permissible limit, as possible, will be made on a first-come first serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants on the date of oversubscription in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion). The date of oversubscription for each category will be determined as per the bucket size based on the allocation ratio stated above not taking into account any spill overs due to undersubscription in other categories.
- (ii) In case there is oversubscription in the Tranche IV Issue Limit, however there is under subscription in one or more Portion(s), Allotments will be made in the following order:

- a. All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Tranche IV Issue Period, shall receive full and firm allotment.
- b. In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application on the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Portion followed by Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications on the electronic platform of the Stock Exchanges during the Tranche IV Issue Period.
- c. For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Tranche IV Issue Period.

- (f) Proportionate Allotments: *For each Portion, on the date of oversubscription and thereafter:* Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.

If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Tranche IV Issue Limit, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.

In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.

- (g) Applicant applying for more than one Option of NCDs:

If an Applicant has applied for more than one Option of NCDs, and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for due to such Applications received on the date of oversubscription, the option-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each option, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with Lead Manager and Designated Stock Exchange.

In cases of odd proportion for Allotment made, our Company in consultation with the Lead Manager will allot the residual NCD (s) in the following order:

- (i) first with monthly interest payment in order of least tenor i.e. Options I, II, III and IV;
- (ii) followed by annual interest payment in order of least tenor i.e. Options V, VI, VII and VIII;
- (iii) followed by payment on cumulative Option in order of least tenor i.e. Options IX, X, XI, XII and XIII. However, the allotment in option XIII shall not exceed Rs. 50 crores each.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Tranche IV Issue shall be taken by our Company in consultation with the Lead Manager, and the Designated Stock Exchange and in compliance with the aforementioned provisions of the Prospectus.

Our Company would Allot Option VI NCDs to all valid applications, wherein the Applicants have not indicated their choice of the relevant Option of the NCDs. Therefore, instructions will be given to the Designated Intermediaries to indicate Option II NCD as the Applicant's choice of the relevant NCD Option wherein the Applicants have not indicated their choice.

Valid applications where the Application Amount received does not tally with or is less than the amount equivalent to value of number of NCDs applied for, may be considered for Allotment, to the extent of the Application Amount paid rounded down to the nearest ₹ 1,000 in accordance with the pecking order mentioned above.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Tranche IV Issue shall be taken by our Company in consultation with the Lead Manager and the Designated Stock Exchange and in compliance with the aforementioned provisions of the Prospectus.

Retention of oversubscription

Our Company shall have an option to retain over-subscription up to the Tranche IV Issue limit.
